

Competitive Rates *AND* Outstanding Service?
 Yes We Can!

The Hanson WEIGH STATION

Weigh the benefits of sourcing your headaches to **Hanson Transportation Management**.
 The difference is clear, so take the weight – and the hassle – off your operations.

- Interact with dozens of carriers
- Find the right TMS technology
- Integrate technology with legacy systems
- Conduct RFP + sourcing operations
- Set up multiple EDI trading partners
- Figure out freight bill audit & payment
- AIR resolution
- Service monitoring
- Service failure refunds
- Claims management
- Establish business intelligence reporting

- **Competitive rates:** customers save on average 20% of shipping costs when they switch to Hanson.
- **Technology:** Our web-based TMS is second to none in the industry, user friendly with best-practice tools for greater efficiency in shipping and receiving.
- **Comprehensive:** Easily tender LTL, Partial, TL, Expedite, International into our web-based TMS
- **Streamlined billing:** our process is the easiest in the industry
- **Transparent:** No month-end accessorial charges, no hidden or additional charges.
- **Local Customer Service:** Grand Rapids staff will WOW you with customer service and decades of experience.
- **Tailored solutions:** we'll learn your business to assure a value-added service
- **Stability:** Hanson Logistics is one of the largest 3PL's with more than 60 years of solid growth and "Yes We Can!" service throughout the country
